- 262,813,388 Would love to see messy creampie and more options to our weight. Would love to look a little more fat or even pregnant. Friday, Apr 1st 1:58PM
- 262,783,571 Ability to create/adjust poses and add/customize clothes and hair, effectively giving more creative freedom into the hands of players would really make this game explode with new content that the playerbase is always so thirsty for :) I understand that pose editor is probably a really hard thing to implement, but i think it would add the most value out of any other thing that we as players could get. Thursday, Mar 31st 11:10AM
- 262,774,978 more clothes and options for man Wednesday, Mar 30th 11:21PM
- 262,774,726 * voice
* older looks for avatars Wednesday, Mar 30th 10:59PM
- 262,769,428 It would be great to have an "rpg" feature in the game. Like you have a level, you can unlock achievement New content on a regular basis could be also good even if it's small feature. Wednesday, Mar 30th 7:17PM
- 262,767,705 A complete pose editor seems like a waste of resources. What we need is the ability to toggle specific poses off and on for specific objects. This will expand builders' capabilities immensely. Also, give us ALL the poses, such as the handwashing pose from the Night Club, and remove the default headphones from the DJ pose (people use this pose for so much more than DJing, and the headphones just make it silly). Expand our tools and we'll expand the game. Wednesday, Mar 30th 6:19PM
- 262,761,328 Also, sperm should stick to men like it does to women. It almost feels like the devs just don't give a damn about male avatars. Females get all the good stuff. True bondage would be nice, too. It sucks having to always roleplay things you can't actually do. (And 3 choices is nowhere NEAR enough for this question.) Wednesday, Mar 30th 2:32PM
- 262,761,287 different shape and size of dick Wednesday, Mar 30th 2:39PM
- 262,760,699 Some country dance moves would be nice(2 step, etc). Being able to move your avi in build mode would allow for some perspective instead of making a wall, exit customization to get perspective then go back in to adjust multiple times. would be nice if you could click on the number of people in room and see who is there without going into the room itself, saves popping in and out of rooms. Helpful if trying to avoid someone or finding someone. Find friends easier. Wednesday, Mar 30th 2:01PM
- 262,758,047 smaller cocks? :) Wednesday, Mar 30th 12:44PM
- 262,757,510 Need pointy ears and more RP stuff, also make tails part of clothing so it can be easily removed for sex Wednesday, Mar 30th 12:10PM

262,753,881	 cum shot for MM and MMM	Wednesday, Mar 30th 8:16AM
262,753,591	 Piercings, Form customization for female breasts (liftup, distance between breasts etc.)	Wednesday, Mar 30th 8:02AM
262,750,686	 I would also like more sport poses specifically a golf swing pose (or better two - one swing and one putt) as I have made a playable golf game on here and could possibly get sponsorship from golf manufacturers to provide funds to make them. Also an archery pose for my archery range (for more info please email to :- c.a.wells@me.com). Also more animal type avatar clothes/bodies for Lord of the Rings type role play (elf ears. furry bodies etc) for my role play scenarios	Wednesday, Mar 30th 3:40AM
262,741,452	 can we use the changing room as a location? its really sick and would be great for intimate encounters... also lighting controle while making an avatar would be blessed.	Tuesday, Mar 29th 6:29PM
262,739,885	 In general More Futa x male (where male is the one penetrated)	Tuesday, Mar 29th 5:33PM
262,732,136	 Xgold transfer	Tuesday, Mar 29th 1:15PM
262,724,489	 Please add physics to the skirts so instead being stiff all time it moves when the avi walks. Please add speed slider to boob job pose. Please alter the breast physics so that it is squeezable (add some poses involving breast and butt touching/fondling)	Tuesday, Mar 29th 5:39AM
262,721,717	 Maybe add some body hair for men?	Monday, Mar 28th 11:47PM
262,721,137	 Pole Dance For Male, some cock cages for Mens	Monday, Mar 28th 11:09PM
262,720,076	 I would *LOVE* to see more choices for mens clothes. Women have a ton of options and ability to come up with great outfit changes. It would be nice to have a man on top kissing position. Lots of options for women to lay on them, but maybe something with arms on either side of her and leg between hers. Carry partner option. More shapes to choose from in editor More female to female sex options that include thrusts (without a cock of any kind) More spanking options Ball gag, blindfolds	Monday, Mar 28th 10:10PM
262,716,133	 Maybe opportunity to change size of the dick (as tits or ass)	Monday, Mar 28th 7:36PM
262,709,762	 More dance moves would be awesome. (More slow dance poses, faster couples dances) Mini games would be a great way to make a great game even greater (card games, pool (cue sports) get Vally ball working ways to spend gold More ff and fff sex poses More clothing and options	Monday, Mar 28th 3:42PM
262,709,657	 Need a follow option in for going onto a dance floor or anywhere really A carry option for partners would be cool	Monday, Mar 28th 3:37PM
262,706,654	 more modular, like animals: dogs, wolves, fishes, horses, etc. more building blocks: spiral, pillars, carving for chinese or western, etc. more detailed adjustments for building	Monday, Mar 28th 2:03PM
262,660,269	 men need more cloths to customize	Friday, Mar 25th 8:40PM
262,658,333	 More FF poses and stop making females wear a penis	Friday, Mar 25th 6:11PM
262,655,809	 I know we just got a whole heap of underwear but it all seemed aimed at Futas i.e. big panties & bras which, unlike original clothing doesn't adjust to breast size, rather than pretty/sexy bras and panties. Sex poses especially for FF which at the moment are way behind MF. I would love to see boob/nipple play poses for all. Soft cock when dancing etc. i.e. not engaged in a sexual activity.	Friday, Mar 25th 5:28PM

 262,655,586	Only 3? The program's better than any other I've tried! But, there is always room for improvement. I would like to have some chest hair and be able to at least look like I'm in my 40s or 50s - at 68, it's not realistic to look like I'm 25.	Friday, Mar 25th 5:04PM
 262,650,286	piercings, tan lines, toys like vibrators to masturbate, bdsm toys and play	Friday, Mar 25th 1:38PM
 262,649,601	More bdsm poses	Friday, Mar 25th 1:06PM
 262,647,662	No cock option	Friday, Mar 25th 11:24AM
 262,641,385	something strange: objects, which are able to be connected to avatar's surface flexible way. With accordance to the pose(s). hmm... looks crazy enough. As an example: the bed and grouped object "gag" placed on it. This object connects to the avatar(s) if some pose on that bed was choosen, till the pose is leaved. Still crazy? :D	Friday, Mar 25th 12:30AM
 262,641,261	More MEN'S Clothes! More options for MEN! Focus less on women for outfits and customizations and give more to MEN for ONCE! Add smoking. Body hair for men. (Please not on women, I see that going badly)	Friday, Mar 25th 12:33AM
 262,639,380	Also different choices for cocks and changing the size of your cocks.	Thursday, Mar 24th 10:28PM
 262,635,607	Tools like dildos for masturbation, whips, crops, bdsm tools and poses	Thursday, Mar 24th 7:47PM
