Sex pose sorting. It is really annoying to a lesbian couple for one of them to grow a cock out of nowhere. The poses are close to each other, have tiny icons, and there is no way to say "I don't want to see this EVER".

Second, offline mail or communication possibilities. A lot of us use discord, but not everyone has it. If they do not, or you don't get a discord ID out of them, sometimes you can go for days without being able to communicate with someone in game.

We need more clothes and hair styles. Also, the update is taking way too long. Everyone is getting anxious with no updates. A bunch of more sex poses would be awesome too!

it feels like you need to be a woman avatar all the time if you want any sort of options not to look like the same person everyone else is using the men have how many options ? if you seen 20 guys they are almost always wearing the same outfits as every other guy the only custom that seems to be different is when they're naked.

female foot pose for flat shoes.
Pose editor should not only ad poses to existing objects but create universal objects with poses, for example give a spread-eagle pose to a st. andrews cross. Should have the option to see avatars when building objects like cuffs around. Make possible to give objects to a pose like the bondage barstool does with the rope.

 264,800,416	More male options: penis (cut or uncut) and size. And body hair PLEASE. We are not all made the same and diversity should be a part of the fun.	Wednesday, Jun 29t 3:31PM
 264,795,250	Possibly add fangs for those rp as demons or vampires, wings that can be removed like other clothing accessories	Wednesday, Jun 29t 12:01PM
 264,789,522	The possibility of sending XGold	Wednesday, Jun 29t 5:29AM
 264,787,427	Please hear me. I am not your normal player. I am a much older player and look at this game different than some 18 year old. I know because I have talked to people in the games and out about this game and they all say the same thing. More body modification. If I want to be a fat old guy....well let it be so. We need to be able to edit the bodies to reflect our real world body. I am physically fit, but most are not in their pictures. We need some bbw people, some short people and some "Out There." people and so on.	Wednesday, Jun 29t 12:39AM
 264,787,380	Soft cock, and Height sliders please	Wednesday, Jun 29t 12:38AM
 264,787,356	Please add more immersive things to do. I would love to have professions, something to add more to the roleplay to really get into my character. Jobs, more ways to have sex, etc/	Wednesday, Jun 29t 12:35AM
 264,787,269	I would like to see more customization of the avatars, specifically regarding bodies. Right now all the bodies look exactly the same and very stereotypical. Give more options for thin-fat, lean-muscular, facial features (lips, cheeks, etc.). Also I would really like to see more diversity in genitals. Larger and smaller cocks will enhance the play in the game, also nice if they could become soft then hard. Even more awesome if there'd be increased bulge-sizes on big boys. Also more real clothing and hair options would be appreciated.	Wednesday, Jun 29t 12:06AM
 264,783,761	Addition of feature to remove futa options for people not into that, game bugs and adds it in frequently.	Tuesday, Jun 28th 7:
 264,773,545	most of the bugs and glitches are fun, people like playing with them	Tuesday, Jun 28th 8:
 264,773,248	More sitting standing and lying down poses would be a lot better. With clothing the design options are very limited. For now you can just choose the exact color but most of the people end up wearing them solid because of limited designs.	Tuesday, Jun 28th 8:
 264,770,106	lol.. only single dance poses, permanent horny cock, only a beerbottle handable, thats so poor after so many years.. no rpg clothes, only idiotic costumes like cat and cows, no handable tools, and sexposes, they i have used before i was 16 all..	Tuesday, Jun 28th 12:24AM
 264,766,880	We need more customization all around. Nothing has changed much since 1.0	Monday, Jun 27th 8:
 264,764,696	1. it would be great to add more clothes (like more dresses) and underwear (like corsets) 2. it would be nice to add an automatic translator to the game to improve communication 3. and you can add a room search by name and/or owner	Monday, Jun 27th 4:
 264,763,298	Room editing is fine for now. Players need more options for their avatars since not much has changed in this category since 1.0. I wish I could choose more clothes and customization for them but the 3 I did choose I've been screaming for since I started.	Monday, Jun 27th 4:
 264,761,673	Why prioritize only three bugs if you release every six months? :S	Monday, Jun 27th 3:
 264,757,983	patterns for clothing...example: stripes (checker, dots, etc.) that can have their own color and even sizing...thicker or thinner strips and also change direction so they can run vertical or parallel or anywhere in between	Monday, Jun 27th 11:54AM
 264,756,728	All of it tbh.	Monday, Jun 27th 10:15AM

 264,755,343	game starts getting boring. new features needed soon.	Monday, Jun 27th 7:
 264,754,141	Would like to have the ability to do more poses for the kinks - BDSM, tying up, whips, chains, etc.	Monday, Jun 27th 3:
 264,753,694	World editor needs scalable textures like the clothing editor is getting. More basic and advanced shapes would also be nice. Avatars desperately need height/weight options, it would help some people feel more immersed. Also, maybe more vagina types in regards to labia, they don' all look alike. Minigames would be great, or some other way to spend our xgold, like maybe being able to buy special clothes or something.	Monday, Jun 27th 12:37AM
 264,752,917	2 layer clothing , sheer tops and undies	Sunday, Jun 26th 11
 264,752,603	Face customization	Sunday, Jun 26th 10
 264,752,389	Really pls more Pose fo M and W not only FF poses.... and really more pose for better Roleplay :) !	Sunday, Jun 26th 10
 264,751,996	Muscle tone definition or bulk. Genital modifications like size. Being able to choose our own poses during sex. Or if you're in a threesome, it's hard to know who's doing what.. so having character pose "slots". Slot 1 is receiving blowjob, slot 2 person is giving, slot 3 person is eating out #2... etc.	Sunday, Jun 26th 9:3
 264,750,617	more options for 3 person poses... more options for dommes	Sunday, Jun 26th 6:3
 264,750,096	<ol style="list-style-type: none"> 1. I want four buttons for cocks (women have their four buttons). Something like Soft / Chub / Semi / Erect. 2. Illuminate the current dance pose that you're using. (I sometimes forget -- sigh.) 3. The ability to form clubs/groups. They could charge. Maybe 4 person for free, with options for several sizes on a pay basis. 	Sunday, Jun 26th 5:3
 264,749,241	Add sliders for thighs and bugger slider for butt	Sunday, Jun 26th 4:1
 264,748,699	more clothes options for men	Sunday, Jun 26th 3:0
 264,746,697	The men have been promised more clothes for years now and have got very little. Rather than making tales and wings for men the game should of added clothing. The game has marriages and what is there for a male to wear?	Sunday, Jun 26th 8:0
 264,745,433	The clothing is still really lacking. And for men it's a joke. Adding 4somes would be nice allowing for swapping partners and doing mmf and ffm as variations in a 4some. Cum shots like facials in 3somes would be nice to.	Sunday, Jun 26th 7:2
 264,742,233	need piercings for body and face pls :D	Saturday, Jun 25th 10:17PM
 264,740,081	more clothes	Saturday, Jun 25th 6:34PM
 264,739,873	everything i couldn't tick haha: More more avatar customization, More sex poses, More dance moves, Minigames inside game	Saturday, Jun 25th 6:06PM
 264,739,558	We need capes. There are more and more people cos-playing then ravers.	Saturday, Jun 25th 5:50PM
 264,738,827	that you have more options to change a face! the faces all look the same!	Saturday, Jun 25th 3:20PM

 264,738,457	<p>Clothing and costumes to approach the game on a more fantasy like level. This would give people more opportunities to expand on their imagination while in the game. Cow girl outfits, corsets, and different bodily shapes such as a rounder shape on stomach, athletic builds etc. Also it'd be nice if all the men did not look particularly the same. The men need more outfit stuffs and bodily edits. Cock sizes would be nice too.</p>	<p>Saturday, Jun 25th 4:09PM</p>
 264,736,839	<p>Pose editor will make this game absolutely blow up with content. People will take it upon themselves to make wonderful poses of all sorts to really expand on the roleplay possibilities. And I think that will draw a LOT of new players in as well. Pls pls pls make this happen <3 Same for clothing options <3</p>	<p>Saturday, Jun 25th 2:20PM</p>
 264,731,576	<p>I think one of the biggest lacking elements is Femdom Clothing and Poses. There is not enough for dominate women.</p>	<p>Saturday, Jun 25th 4:52AM</p>
 264,730,685	<p>Option to where women don't have a cock forced on them in sex poses</p>	<p>Saturday, Jun 25th 1:52AM</p>
 264,728,901	<p>really want more body modifications such as body hair for males, muscle sliders for female/males</p>	<p>Friday, Jun 24th 11:3</p>
 264,728,650	<p>= Let other people edit your room</p>	<p>Friday, Jun 24th 11:2</p>
 264,727,506	<p>Body hair for men</p>	<p>Friday, Jun 24th 10:1</p>
 264,727,350	<p>All around more poses for sex and self should really be added. I don't think they should be too hard to develop you can literally get hundreds for free with SIMs 4 mods. More clothes and customization should also be a HUGE priority as it is one of the most important features of 3DX.</p>	<p>Friday, Jun 24th 10:0</p>
 264,726,948	<p>More hairstyles.</p>	<p>Friday, Jun 24th 9:40</p>
 264,726,039	<p>I want socks for men, both normal and knee high!</p>	<p>Friday, Jun 24th 8:35</p>
 264,725,943	<p>i would say every single point is what is missing the most</p>	<p>Friday, Jun 24th 8:28</p>
 264,725,731	<p>more clothes for guys in particular. dad bods for guys - more body shape options.</p>	<p>Friday, Jun 24th 7:55</p>
 264,725,701	<p>Individuality is severely lacking in 3dx. I know a lot of people who still play a lower quality game because this game has so much less customization. We all look virtually the same</p>	<p>Friday, Jun 24th 8:04</p>
 264,725,542	<p>But more minigames would be nice as well</p>	<p>Friday, Jun 24th 7:48</p>
 264,724,312	<p>1) In room tv to run video streams. 2) Squeezable skin physics. 3) Variations in moans/sex noises. 4) Sex speed slider for boob job pose.</p>	<p>Friday, Jun 24th 6:05</p>
 264,723,927	<p>What I would like is for you to take this survey into account and not to be left only in questions and answers, for a long time there have been different garments as proposals, but there it remains, only in proposals and time passes and the garments remain into oblivion And so that the game doesn't get heavier, could you delete some of the clothes that are already in the game and that nobody uses...they are there just to occupy a space, please, I need those new clothes for the dance group, many Thank you :))</p>	<p>Friday, Jun 24th 5:32</p>
 264,723,232	<p>Clothes for men. How about a 3 piece suit that I can remove the jacket on? Or how about something as simple as socks? How about a tie option for shirts?</p>	<p>Friday, Jun 24th 5:06</p>

 264,722,846	<p>There is a huge need for more clothing options and especially, further and more extensive customization of them. There is a dire need to be able to further customize our clothes more and ofourse, our avatar more. Further makeup, body moles, genitals further customization, the size and detail of our eyes size and detail (for example, demon eyes, cat eyes etc). Being able to customize all the clothes fabric and multiple different colors on every piece of cloth (like it was shown in the WIP channel on Discord).</p> <p>Also apart from customization, it would be nice to have some foursome poses. Even one could be enough I believe.</p>	Friday, Jun 24th 4:34
 264,721,974	<p>There are so many poses that could be doubled and just add some kissing to them, more options for the same pose. Would be nice to have toys that can be used in game, either buy yourself or by your partner with you.</p>	Friday, Jun 24th 3:50
 264,721,965	<p>Just have same poses MF like FF, because FF has anal and vaginal version of every pose, and on MF just one of every. And more male customization, because most of heir clothes is old and some ones has bad textures.</p>	Friday, Jun 24th 3:46
 264,721,852	<p>I would personally love some sex poses which involve more than 3 people.</p>	Friday, Jun 24th 3:58
 264,721,765	<p>poses that involve boobs</p>	Friday, Jun 24th 3:54
 264,721,617	<p>the guys need some chest hair</p>	Friday, Jun 24th 3:44
 264,721,522	<p>Piercings would be a great addition</p>	Friday, Jun 24th 3:41
 264,721,146	<p>Body hair for men and more detailed skin</p>	Friday, Jun 24th 3:25
 264,721,143	<p>Pose editor could be difficult to operate, thats why I gave my vote for more sex poses instead</p>	Friday, Jun 24th 3:20
 264,721,034	<p>Please update this game more there is people who pay for a whole year to only one single update for the year...</p>	Friday, Jun 24th 3:15
 264,720,993	<p>More moves on the strip pole.</p>	Friday, Jun 24th 3:15
 264,720,897	<p>more models for building, like animals, shapes, materials... etc</p>	Friday, Jun 24th 3:14
 264,718,045	<ul style="list-style-type: none"> - In the pose box the female penis poses should be separated out to another tab - When selecting a pose it should be made clearer which position will be taken by the initiator of the pose - When in a sex pose it would be nice to be able to have sub-poses or moves 	Friday, Jun 24th 12:2
 264,716,526	<p>No cock option</p>	Friday, Jun 24th 10:1
 264,716,162	<p>The choice of male clothes is quite limited. More poses for personal interaction like caressing people (head, torso, body,...), kissing people's body (breasts, body, feet, legs,...) Also the possibility of kicking someone out of a group chat when needed.</p>	Friday, Jun 24th 9:34
 264,711,715	<p>World Editor autosave</p>	Friday, Jun 24th 12:5
 264,710,954	<p>less bugs</p>	Friday, Jun 24th 12:0
 264,710,523	<p>I want more kissing poses. I want poses where breasts are being touched with lips or fingers.</p>	Thursday, Jun 23rd 11:42PM
